

Ride taxi in Ethiopia,
primarily through the
popular RIDE app,
offer a modern, app-based
solution for getting around
Addis Ababa and beyond,
providing safety features
(driver details, tracking),
flexible payments (cash/digital),
and convenience with
24/7 availability, operating
similar to Uber/Lyft but
tailored to the local market,
with other services like
Yango also present.

we provide safe,
reliable, and fast
transportation services
to Africa to improve
quality of life
and connect people
to opportunity.

Foundation Ride Transportation
likely refers to RIDE,
the leading ridesharing app in Ethiopia
founded by Samrawit Fikru,
which aims to provide safe and affordable
urban transport, or potentially
